

CHAPTER MEMBER OF THE YEAR AWARD

The Chapter Member of the Year Award is sponsored by ARMA International and is presented by each chapter to its most outstanding member for the previous year. In evaluating the candidates, emphasis is given to the member's participation in and contribution to the chapter's activities. Chapter Member of the Year is selected by a committee comprised of the three previous Chapter Members of the Year. An "official" plaque is sent to the recipient by ARMA International after the annual conference in the fall of each year.
