

Eugene Stakhov, CRM, CDIA+ is a senior ECM/RIM consultant at Lighthouse Computer Services with a technical background in software development. During his career, Gene has provided customers with expert guidance on matters ranging from enterprise taxonomy development to technical system implementation solutions in the Banking/Finance, Insurance, Technology and Utilities sectors.

His work includes implementing a highly visible, complex email and electronic records management initiative to address the regulatory compliance challenges of a large utilities company. This solution won the IBM Innovation in Technology Award.

Gene is also a proud, “card-carrying” member of ARMA Metro NYC, and serves on the Board of Directors as Vice-President, Professional Development.
